

SCHOOLS

Planet Ark's campaigns enable individuals and organisations to take simple and positive environmental actions. Put the following dates in your diary so you don't miss the chance to get involved. Find out more at Planetark.org/schools or from the links below.

JANUARY

FEBRUARY

01 SCHOOLS TREE DAY

Grow something really special at your school. It's time to start planning for July's Schools Tree Day, the largest nature-care event in Australian schools with over 2,500 school taking part. It's the perfect time to green your yard, foster environmental stewardship and connect kids with nature. Dig in at [Schools Tree Day](#).

MARCH

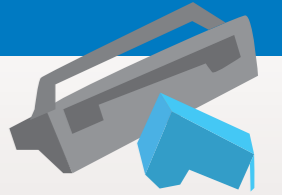

01 MAKE IT WOOD

Did you know that exposure to wood products and interiors has measurable health and learning benefits, similar those created by spending time in nature? It's good for the body and the brain. Learn more about how sustainably sourced wooden products can help tackle climate change at [Make It Wood](#).

APRIL

26 'CARTRIDGES 4 PLANET ARK'

You may be eligible for a FREE 'Cartridges 4 Planet Ark' collection box if your school uses more than three (3) inkjet, toner cartridges or toner bottles in a month. Learn how you can divert waste from landfill and turn it into recycled pens, rulers and garden beds at ['Cartridges 4 Planet Ark'](#).

MAY

01 PLANET ARK POWER

If you want to free up some money for new school initiatives, here's some bright news. Planet Ark Power can offer solar energy at a cheaper price than the power company, with no cash outlay or loan involved. Make the switch at [Planet Ark Power](#).

JUNE

01 RECYCLING NEAR YOU

Have you ever wondered where you recycle computers, printers, light globes, and food waste near your school? For your one stop resource for all things recycled, go to the [RecyclingNearYou website](#).

JULY

28 SCHOOLS TREE DAY

Join over a quarter of a million students getting their hands dirty, planting native trees, starting a veggie patch and caring for nature on Schools Tree Day. It's a ton of fun, with competitions, prizes and over 80 curriculum aligned Tree Day lessons. Get growing for [Schools Tree Day](#).

AUGUST

01 NATIONAL RECYCLING WEEK

Start planning now for November's National Recycling Week. We have free recycling activity guides, lesson plans and event ideas, like the Schools Recycle Right Challenge, to help students learn by doing. Join us for [National Recycling Week](#).

SEPTEMBER

01 PLANET ARK PAPER

Schools use a lot of paper (even in the digital age). You can do the right thing by choosing Planet Ark Paper, it's 100% recycled, FSC certified, carbon neutral and bright white. Learn more about [Planet Ark Paper](#).

OCTOBER

NOVEMBER

13-19 NATIONAL RECYCLING WEEK

Turn your students into eco-warriors by taking positive environmental steps like recycling. Enter the Recycle Right Challenge, access fun learning ideas and lessons on how to turn trash to treasure, why waste matters, how to pack a greener lunchbox and close the loop. Get on board at [National Recycling Week](#).

DECEMBER

01 RECYCLING NEAR YOU

Help the school community have a fun and waste free festive season. Find simple actions that reduce your impact on the environment and cost less at [RecyclingNearYou](#).
