

ENVIRONMENT ACTION PLANNER

WORKPLACES

Planet Ark runs a range of campaigns throughout the year, all aimed at helping people reduce their impact on the planet. Put the following dates in your calendar at the start of the year to keep track of the different campaigns your staff, customers and suppliers can get involved in.

JANUARY

FEBRUARY

26

Make It Wood encourages the use of responsibly sourced wood as a building material to help tackle climate change. MakeltWood.org

MARCH

01

Start planning for July's **National Tree Day**. Download a workplace guide and register an activity at 1300 88 5000 or TreeDay.PlanetArk.org/businesses

APRIL

29

More than 20 million printer cartridges have been recycled through 'Cartridges 4 Planet Ark' since 2003! Find out if your workplace is eligible for a free collection box at 1800 24 24 73 or Cartridges.PlanetArk.org

MAY

JUNE

01

Need help finding a recycling or waste service? Call 1300 763 768 or go to BusinessRecycling.com.au
